CONTAINER RINSER

BLENDER CONTAINER RINSER 搅拌机容器清洗器

Nostro's container rinser offers a hassle-free way to eliminate residue from blender containers. Just flip your container upside down, press the top activator, and let the water do its magic.

Setting up the container rinser is a breeze. Its suction cups keep it securely anchored in the sink, ensuring stability while you clean. The quick disconnect fittings make it easy to hook up to your water supply.

Nostro的容器清洗器提供了一种无忧的方法来消除搅拌机容器中的残留物。只需将容器倒置，按下顶部激活器，让水来完成清洁工作。

安装容器清洗器非常简单。其吸盘能够将其牢牢固定在水槽中，确保清洁时的稳定性。快速断开接头使其便于连接水源。
